OBJECTIVE / MOTIVATION

Niel is newly graduated **Animator and 3D artist** from The Open Window. He has a brief background in **programming** as well as **web design**. For as long as he can remember, Niel has a fascination with **animation**, **gaming** and **3D technology**. He has plenty of experience in multiple **Adobe software** packages after many years of exploration, and a generic competency of several **3D interfaces**. Niel is **quick to learn** and **dedicated to mastering** anything that he does learn. He is **charismatic**, **well-disposed** and looks forward greatly to an **opportunity** to prove himself **more than capable**.
